*Where you're worth more*

FRESNO | CLOVIS | MADERA | SELMA

At Noble Credit Union, we believe it's never too early to learn about smart savings habits, so we created special accounts with young savers in mind. Join the fun and learn more about how a youth account can help build a bright future.

## Star Savers

Teach children ages 0 to 12 early about good savings habits. Start with a savings account\* and encourage your child to add to the account often to watch their money grow!

- » No monthly fee
- » Dividends earned on balances of \$5 and up

Save for your child's future with a UTMA account. This account can only be accessed by you. Your child cannot access these funds until you choose to transfer them, even after your child reaches adulthood.

## EverGREEN Teen Accounts

Teens ages 13 to 17 can kickstart their future financial success with an EverGREEN Teen Savings. This savings account\* can be paired with a Checking account to teach financial responsibility with access to the same accounts and services as adult members.

- » No monthly fee
- » Dividends earned on balances of \$5 and up
- » Visa® debit card with Checking account
- » 30,000+ fee-free ATMs
- » Direct deposit
- » Online and mobile banking
- » Mobile check deposit
- » And more

The EverGREEN Teen Savings Account must include a parent or legal guardian as a joint owner. Set up access to monitor your teen's activity and teach good financial habits.
